How do I catalog a new Product ?

Modify Meta-Data continued

Session Searching Cataloging Administration ISSO Help

Modify Meta-Data

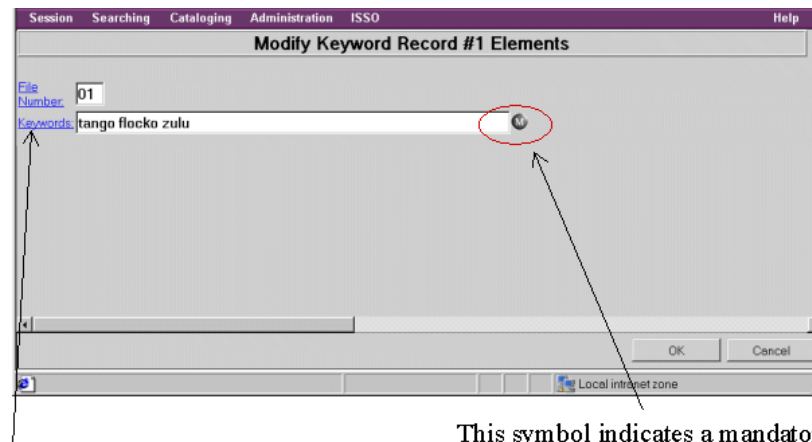

Add	Table	Copy	Remove	Description
<input type="radio"/>	*Product			Product Elements
<input type="radio"/>	Associated_Reports			
<input type="radio"/>	Equipment			
<input type="radio"/>	Event			
<input checked="" type="radio"/>	*Image			
<input type="radio"/>	*Keyword			
<input type="radio"/>	Person			
<input type="radio"/>	Requesting_Organization			
<input type="radio"/>	Section			
<input type="radio"/>	Target			

Number of Copies:

NOTE: * Signifies Mandatory Fields In This Table

Remove Marked Add New Copy Marked Reset Form Transfer Files

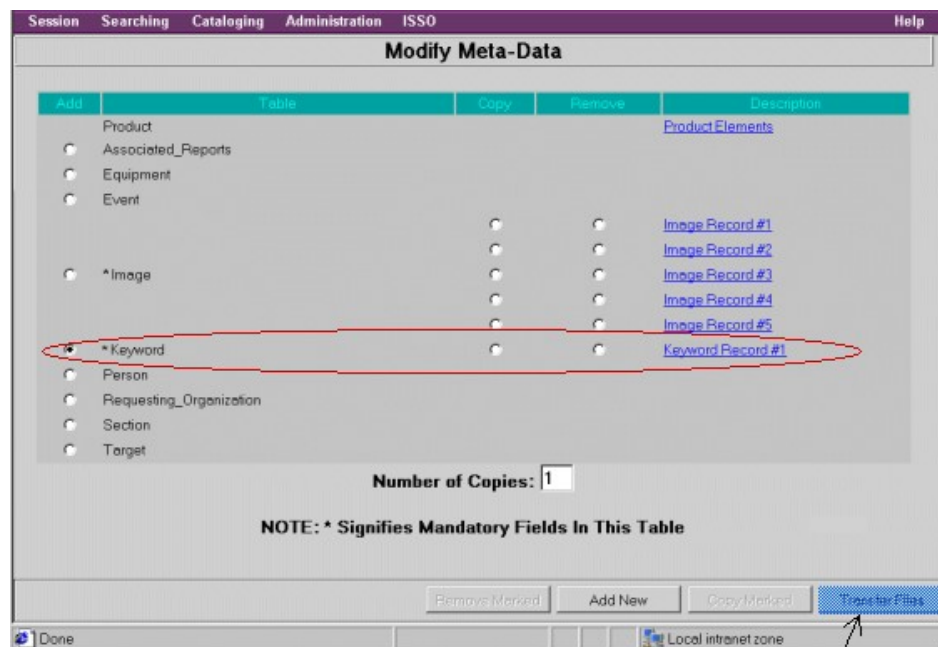

How would I modify a New Record?

Clicking on one of these links will bring up a page describing this attribute. In particular, it will provide a mapping for this Broadsword element in the IPL schema.

This symbol indicates a mandatory field (as determined by the site).

Keyword modification Continued

Add	Table	Copy	Remove	Description
<input type="radio"/>	Product			Product Elements
<input type="radio"/>	Associated_Reports			
<input type="radio"/>	Equipment			
<input type="radio"/>	Event			
<input type="radio"/>	* Image	<input type="radio"/>	<input type="radio"/>	Image Record #1
		<input type="radio"/>	<input type="radio"/>	Image Record #2
		<input type="radio"/>	<input type="radio"/>	Image Record #3
		<input type="radio"/>	<input type="radio"/>	Image Record #4
		<input type="radio"/>	<input type="radio"/>	Image Record #5
<input checked="" type="radio"/>	* Keyword	<input type="radio"/>	<input type="radio"/>	Keyword Record #1
<input type="radio"/>	Person			
<input type="radio"/>	Requesting_Organization			
<input type="radio"/>	Section			
<input type="radio"/>	Target			

Number of Copies:
